

08-修改授权主体

背景

我们在获得官方授权时，会拿到授权代码，代码中会包括公司的授权名称，但有时候我们登记错误，或者主体发生了变化，需要修改授权码中的授权实体时，需要我们自行进行修改。

步骤

步骤一

登录授权账户登录到<https://my.atlassian.com>

步骤二

进入到Billing detail 菜单修改公司名称 信息

填写正确的公司名称

A screenshot of the 'Organization Information' form in the Atlassian 'My Atlassian' account. The browser address bar shows 'https://my.atlassian.com/details/edit'. The form title is 'Organization Information'. Below the title is a message: 'Updating your organization information below will also update the organization information for all associated users. Please contact us if your organization information is associated incorrectly.' The form contains several input fields: 'Company Name*' (filled with '武汉汇科天下科技有限公司'), 'Address 1*', 'Address 2', 'City*', 'State/Province*', 'Country*' (a dropdown menu with 'China' selected), 'Postcode/ZIP*', and 'Tax ID'. At the bottom of the form is a green 'Save Details' button.

步骤三

在Licenses中选择产品授权码，重新进行授权生成
